GOOD OF THE ORDER
Will Micklin state he cannot think of a higher honor than serving with the current president. Your kindness has always been appreciated and want to thank the Executive Council for the privilege of serving with you. Thank you to Melissa, Tana, and Raeanne.

Robert Sanderson wanted to thank the president for the trust he has put in him. I’m grateful for our front office and wish everyone traveling mercies.

Yodean Armour would like to save hers for the next meeting.

Richard Peterson would like to save everything for the next meeting. I respect your leadership so much and he cannot imagine the tribe without you.

Harold Houston appreciates you as our mentor and for your guidance and he values his time he has spent with you. He values where we have stood in the last three years and he appreciates him pushing us.

Lowell Halverson requests your leaving us and he’ll wait on his comments for the next meeting.

President Edward K. Thomas wanted to thank everyone for coming to this meeting. The work we do is challenging and we have doubts on if it is the right thing to do. Will gave him some credit, but it is the work you do on behalf of the tribe for our people. Thank you to Will for all of the information he has shared. He had high hopes for this administration and there just seem to be so many roadblocks that have been put up and this really irritates him as a person. There is a lot of potential and we have to get past the bureaucracy and to radiate the disparities of our programs. He proposed getting the GOA office to getting this updated and gets out the facts and information on our programs. The disparity is just too great and we have been making the cuts in our organization. If we didn’t make these changes our Tribal Trust Fund would be gone. This is the best Executive Council and we proved it.

ADJOURN
The Chair ruled the meeting adjourned at 4:10 PM. No objection, so ordered.
