Sec. 08.02.001 Purpose, Mission, & Vision

A. Purpose. The purpose of the Tribal Schools are to perpetuate the languages and cultures of the Tlingit & Haida people of Alaska and to ensure the highest level of academic achievement possible in full language immersion environments.

[Háida and Tsimshian versions of text will be inserted when found]

We are not going to walk away from it. Our language is like a tree root, and upon it Our Language Nest was built. In the shelter of a tree we love one another through our Way of Life. On Our Land we will forever hear the voices of our grandparents, and then we will still be holding each other’s hands with strength of spirit.

C. Vision. Children fully fluent in their indigenous languages, fully competent in college-level English, and a 100% graduation rate.
