GOOD OF THE ORDER

Barb Fields – enjoyed the Executive Council’s first meeting and would like to point out that everyone needs to be more mindful of the Chair in future meetings.

Ralph Wolfe – Today’s meeting was a good experience and he looks forward to future meetings.

Michele Metz – It was a productive meeting and good to see everyone.

Richard Peterson – Welcomed Ralph, he is proud to see him here and the work he has been doing in his life. Encouraged him to keep speaking up.

Richard George – Appreciate today’s meeting and noted that the exercise the Executive Council went through is necessary for growth.

Edward K. Thomas – Appreciates being here and congratulated all Executive Council members, particularly youth representative for getting elected. He appreciates the dedication so far. He knows there will be tough challenges, but hopes the Executive Council will find working with our people is still worth the effort. Wished everyone well, and how ever he can help, please let him know.

Jay Cabuag – It has been a very good meeting. We owe it to our members to have good conversations and share our points of view and come to a good decision. There was a tight agenda, and we completed it. Look forward to having more meetings. Thank you all for being here.

Will Micklin – Told the Executive Council a joke to close the day.

President Martin – As is our history, going back to ANB days, we’ll probably always have heated arguments. He appreciates everyone. We come in here friends and relatives, and we leave here the same way.
